Guidelines

- Registration is mandatory for participating in the competition.
- Participants should send an abstract as **pdf**, and the final presentation as **pre-recorded video**, along with their e-mail ID, college name, and mobile number.
- For recording, use **Zoom meeting** and submit the final video in **MP4 format**.
- For this, author should login the Zoom meeting app/webpage using their registered credentials, start a new meeting, share the screen, run the PowerPoint presentation and start the recording. Kindly keep the **camera on while recording**, and do not minimize the window showing your face during the presentation.
- During the presentation **do not** mention your college name or the names of the guides, or use any background that gives away the identify of your institute or place. Just mention the name of the presenter in the title slide.
- The total duration of the pre-recorded presentation must not exceed **7 minutes for original paper/case series, and 4 minutes for case reports**.
- The submitted pre-recorded presentations will be independently judged and the top three papers will be intimated by 20th Sept 2022 via e-mail, who would then be ready for making a podium presentation on the morning of the final day of conference (16.Oct.2022), and collect the awards. All presenters will be given a certificate.
